Supporting you to support our community

Edgbaston Neighbourhood Network Scheme

ENNS

Community asset? We can help you.

Edgbaston Neighbourhood Network Scheme (NNS) is a community development project that seeks to help over 50s beat loneliness and isolation. We do this by investing in and supporting “community assets”: those in the community that provide activities to older adults.

Support is free and includes...

- Helping groups find and apply for funding
- Training to help you support others
- Opportunities for assets to meet and learn from each other
- Wider promotion for your work

If you are based in any of these areas, get in touch to tell us about your work and find out how we can help:

- Edgbaston
- Harborne
- Quinton
- Bartley Green
- Shenley
- Weoley Castle
